YOU ARE WRONG.

Because I am about to tell you about the tastiest experience that you have never had. In the Emeril's New Orleans Restaurant, you will have the culinary shock of your life...in the positive sense, of course.

You'll experience new flavors that will give you a glimpse of the American Southern culture...

You'll taste delicious meals of French and Creole heritage...

You'll encounter a new blend of meat, shrimps, vegetables, sauces, and exotic spices...

You'll enjoy the Southern hospitality and the generosity of New Orleans dishes during a lunch with your colleagues or a dinner with your lover...

And after a meal experience in the Emeril's New Orleans Restaurant, you'll start to put hot sauce in your bag wherever you go, just like Beyoncé!

"Wow! What an amazing experience. We had the pleasure of sitting at the chef's table and watching a highly talented team of pure genius put together some amazing dishes. All were pleasant to talk to about the dishes they were working on. Service was top notch and I can't

thank them enough for their attention to detail. The food is something you MUST experience. I don't think my pictures do it justice at all! Make a reservation well in advance and come with an empty stomach. You'll have an dinner to remember!" - Rebecca Rementer

"From the cocktails and amuse bush to the appetizers and entrees - this restaurant was superb and well worth the \$\$\$! The wait staff is kind, knowledgeable and professional! Each course was just as delicious and enticing as the last! Oh! And the lighting was really good, often these types of restaurants are too dark, but it was nice to see your food, and those around your table!" – Corinne Greco

"Thank you to the entire team of Emeril's for a fantastic meal. It's clear how much care and attention is put into this restaurant. Not many places can say that after over 30 years. One of the standout points about this meal (aside from the clearly great food and wine) was the atmosphere of the restaurant. The whole staff was so warm and attentive but sharp and professional at the same time. The smoothness of the service was such a treat. I didn't want to leave. Thank you Emeril and team" - Connor Jones

With all these benefits and advantages, you'll also enjoy a life membership to our restaurant that will grant you special discounts on your favorite dishes after 10 lunches and/or dinners in the Emeril's New Orleans Restaurant.
